me: yo nigga they put out Fight Night 4
me: Imma buy that shit
me: so
me: you may not believe this
me: but apparently Perry is getting some flack from Michelle Malkin and whatnot for being pro-Islamic
me: http://atlasshrugs2000.typepad.com/atlas_shrugs/2011/08/perry-mafia-punked.html
me: also Pamela Geller
me: It was interesting to see the beclowned Red State, Ace (pronounced ass, I am sure), and the increasingly irrelevant Commentary jump all over me because I exposed Rick Perry's dawah curriculum served up to our young children in the public schools of Texas.
me: also
